Re: High School Recommendation Forms

Dear Parents,

This year, the high school recommendation process will be digital. This means that you will go to the website of the high school your child plans to attend, click on the admissions tab, and follow the directions for the application process for that school.

The high schools typically require a recommendation from the principal, English teacher, and math teacher. Some schools also require a recommendation from the pastor. Recommendation forms can be digitally submitted to the teachers beginning on December 1, 2020.

A transcript release form allows St. Paul the Apostle school to release your child's grades and transcripts to the prospective high school. That form should be digitally submitted to Jill O'Callahan at jocallahan@sp-apostle.org.

Please be sure to read all directions for each school very carefully. Pay close attention to the due dates for the applications.

The first two sets of recommendations and transcripts are free (two high schools). Please send a check for \$15.00 for each additional high school. The check should be made out to St. Paul the Apostle School and sent to Mayora Hiney.

Thank you.

Miss Danielski
