

Westside Thanksgiving Day Celebration & Dinner

Est. 1982

Consisting of Westside churches, schools, and organizations reaching out to those in need

On Thanksgiving Day, we look forward to hosting about 3,000 guests for Thanksgiving Day dinner at the West Los Angeles Civic Center (1645 Corinth Ave, Los Angeles, CA 90025). Our guests come from all walks of life, from homeless individuals and working poor families to college students unable to get home for the holiday. In addition to a complete traditional Thanksgiving meal, we provide our guests with access to free blankets, haircuts, medical consultations, clothing, and hygiene items.

St. Paul's has supported Westside Thanksgiving since their beginning, and they **need our help** again this year.

We are collecting:

- **bars of soap**
- **combs**
- **toothbrushes/toothpastes**
- **deodorants**
- **shampoos**
- **other toiletry items**

Please bring items to the donation bins in the foyers of the main school building or the church office between November 8th and 16th.

If you have a specific question, contact PWC Outreach co-chairs Ann Goodgame (agoodgame@sbcglobal.net) and Jess Gunderson (jessicagunderson18@gmail.com).

Thank you so much for your help.
